HOLIDRAWS

Drawn Together - For a Winter Celebration

Draw your team together with a fresh spin on the year-end festive celebration.

Part social hour, part creativity game, gather with friends and colleagues to celebrate the end of 2020 with a fun alternative to the virtual cocktail hour.

Our current era of physical distancing has thrown a wrench in our holiday party planning, but don't let COVID-19 stop your team from celebrating together.

With ImageThink's *Happy Holidraws* Package, we can host the full virtual session, or collaborate a portion of your remote event.
